

Meet With Us At ISE 2022!

Come meet with madVR Labs Co-founder and CEO **Richard Litofsky**, and Global Sales Director **Howard Leibowitz** at ISE 2022 in Barcelona May 10th through the 13th, at booth #2R420. Please join us for a live demonstration and to learn everything you always wanted to know about the Envy.

There are several locations where the Envy will be on display:

1. The Envy Extreme will be on display with our partner [Xtrem Screen](#) in booth #2R420. Come meet some of the madVR Labs team in person and check out the latest in screen technology from Xtrem Screen! All are welcome to come meet with us. Industry professionals - please reply to this message to request a meeting time, so we can be sure to give you our undivided attention.

2. The Envy Extreme will also be on display at the [Procella Audio](#) booth #2P250. This impressive setup features a media room on the show floor with an all-Procella speaker and amplification Atmos 9.2.4 system, a [Trinnov](#) AVP, a [Kaleidescape](#), and of course the [madVR Envy Extreme](#). Here's a sneak peek at the rack:

3. The Envy Extreme will also be on display with the [Barco](#) Njord in a beautiful dedicated high-performance room, nearby off-site. This is a private showing for industry professionals only. Those interested should please reply to this message to inquire.

4. The Envy Extreme will also be on display at [Digital Luxe](#), our authorized madVR Envy dealer in Barcelona, in their high-performance dedicated demo room. Showings are by appointment only. If interested, reply here to inquire.

Discover the madVR Envy

The award-winning madVR Envy uses our patent-pending video processing to deliver the ultimate picture quality in your dedicated home theater.

"Everything is fantastic with my Envy. The picture is beautiful, the upscaling is amazing, and like I've stated before, it's the most important piece of equipment in my home theater. I honestly can't wait to be able to have people over again for movie night and show it off."

- Jon G.
