

In this special edition of our newsletter, we're excited to showcase key moments from madVR Labs' participation at CEDIA 2023. Media teams are finishing several videos from the event. Once ready, we will put out Part 2 of our coverage.

A Historic CEDIA 2023 for madVR Labs: Five Awards and Unstoppable Momentum!

We are absolutely thrilled, humbled, and honored to announce that our madVR Labs Envy Extreme MK2 has received an astonishing five industry awards at CEDIA 2023!

✳ Full List of Awards:

1. CEDIA 2023 Best New Hardware Product Award
2. AVS Forum Best in Show Award
3. ProjectorCentral.com Best in Show Award
4. Sound & Vision CEDIA 2023 Editor's Pick Award
5. AVS Forum Best in Show Award for the main demo room experience, in conjunction with our exceptional show partners Trinnov Audio, Ascendo, Kaleidescape, Barco Residential, Seymour-Screen Excellence and Officina Acustica.

A heartfelt "Thank You" to our brilliant team, our invaluable partners, and our ever-supportive community and valued customers. Your trust and support fuel our innovation and achievements.
